(4) **BAGGAGE POLICY** - Each passenger can check in a specific amount of baggage or a specific volume of weight at no extra cost as indicated above in the row "Baggage".

If the journey is subject to Weight System, the baggage entitlement appears in kilogram (kg) and if Piece System applies, the entitlement appears in

number of pieces of baggage. The Piece System generally applies to Passengers travelling to and returning from IATA area 1 which is the North, Central and South American Countries.

In Piece System, a single piece of baggage of an Economy Class passenger shall not exceed the weight of 23 kg but permitted up to 32 kg by paying over weight baggage fee and for a Business Class passenger a single baggage shall not exceed the weight of 32 kg. Any baggage exceeding the permitted amount of pieces and weight, indicated in Condition (4) above are subject to an excess baggage fee charged by the Carrier. No piece of baggage exceeding the weight of 32 kg will be accepted for carriage due to safe handling and occupational safety rules irrespective of the class of travel.

Hand Luggage - One bag measuring 56cm x 36cm x 23cm (115 cm) and weighing no more than 7 kg. For anything over and above, the baggage could be retrieved at boarding and you may be charged for the additional weight. It will be loaded in the aircraft hold. Reporting to the boarding gate at the last minute may result in the bag not being loaded on the same flight. This excludes a duty free item purchased at the airport which is not large in size, with the ability to stow under the seat.

A promotional banner for SriLankan Airlines. On the left, the text "Save More, Enjoy More." is written in a large, blue, stylized font. To its right, in a smaller blue font, it says "Pre-purchase your excess baggage online or through a travel agent up to a maximum of 25kg and enjoy a 25% discount from airport rates!". Below this, in a very small font, is the contact information: "Visit srilankan.com or call us on (International) +94 117 77 1979, (within Sri Lanka) 1979 for more information." On the right side of the banner, there is an image of a luggage cart filled with bags, with the SriLankan Airlines logo and tagline "You're our world" above it. The website "srilankan.com" is also visible in the bottom right corner.

ADVICE TO INTERNATIONAL PASSENGERS ON LIMITATION OF LIABILITY:

Passengers on a journey involving an ultimate destination or a stop in a country other than the country of origin are advised that the provisions of a treaty known as the Warsaw Convention may be applicable to the entire journey, including any portion entirely within the country of origin or destination. For such passengers on a journey to, from or with an agreed stopping place in the United States of America, the Convention and special contracts of carriage embodied in applicable tariffs provide that the liability of SriLankan Airlines and certain other carriers, parties to such special contracts, for death or personal injury to passengers is limited in most cases to proven damages not to exceed US\$ 75,000 per passenger, and that this liability up to such limit shall not depend on negligence on the part of the carrier. For such passengers travelling by a carrier not a party to such special contracts or on a journey not to, from, or having an agreed stopping place in the United States of America, liability of the carrier for death or personal injury to passengers is limited in most cases to approximately US\$ 10,000 or US\$ 20,000. The names of carriers, parties to such special contracts, are available at all ticket offices of such carriers and may be examined on request. Additional protection can usually be obtained by purchasing insurance from a private company. Such insurance is not affected by any limitation of the carrier's liability under the Warsaw Convention or such special contracts of carriage. For further information please consult your airline or insurance company representative.

NOTE:

The limit of liability of US\$ 75,000 above is inclusive of legal fees and costs except that in case of a claim brought in a State where provision is made for separate award of legal fees and costs, the limit shall be the sum of US\$ 58,000 exclusive of legal fees and costs. Notwithstanding the above, if a claim is made against SriLankan Airlines by an individual for death or bodily injury of a passenger SriLankan Airlines will waive any such financial limit and will not exclude or limit liability for damages up to 100,000 Special Drawing Rights by the defence that it took all necessary measures. SriLankan Airlines will also make such advance payments as may be required to meet immediate needs in proportion to the hardship suffered.

NOTICE OF BAGGAGE LIABILITY LIMITATIONS:

Liability for loss, delay or damage to baggage is limited unless a higher value is declared in advance and additional charges are paid. For most international travel (including domestic portions of international journeys) the liability limit is approximately US\$ 9.07 per pound (US\$ 20.00 per kilo) for checked baggage and US\$ 400.00 per passenger for unchecked baggage. For travel wholly between U.S. points, Federal rules require any limit on an airline's baggage liability to be at least US\$ 1,250.00 per passenger. Excess valuation may be declared on certain types of articles. Some carriers assume no liability for fragile, valuable or perishable articles. Further information may be obtained from the carrier.

DANGEROUS GOODS IN PASSENGER'S BAGGAGE:

For safety reasons, dangerous articles must not be packed in checked or carry on baggage. Restricted articles include but are not limited to compressed gases, corrosives, explosives, flammable liquids, solids, radioactive materials, poisons, infectious substances and brief cases with installed alarm devices.

NOTICE OF GOVERNMENT AND AIRPORT IMPOSED TAXES, FEES AND SURCHARGES AND SECURITY AND/OR INSURANCE CHARGES:

The price of this ticket may include taxes, fees and charges which are imposed on or in relation to air transport by government authorities or airports, and may also include a security and/or insurance surcharge. These taxes, fees, charges and surcharges, which may represent a significant proportion of the costs of air travel, are either included in the fare or shown separately on this ticket. You may also be required to pay new taxes, fees charges and/or surcharges not already collected.

DENIED BOARDING:

Though SriLankan Airlines makes every effort to provide seats for which confirmed reservations exist, seat availability is not absolutely guaranteed. Where we cannot provide a seat, we will provide compensation in accordance with applicable law and in accordance with our Denied Boarding Compensation Policy to the extent it is applicable. Details are available at our offices.

NOTICE OF LIABILITY LIMITATIONS:

The Montreal Convention or the Warsaw Convention may be applicable to your journey and these Conventions govern and may limit the liability of air carriers for death or bodily injury, for loss of or damage to baggage, and for delay. Where the Montreal Convention applies, the limits of liability are as follows:

1. There are no financial limits for death or bodily injury and the air carrier may make an advance payment to meet immediate economic needs of the person entitled to claim compensation;
2. In the case of destruction, loss of, or damage or delay to baggage, 1,000 Special Drawing Rights (approximately EUR 1,230) and, if the value of your baggage is greater than this limit, you should inform the carrier at check-in or ensure that it is fully insured prior to travel;
3. In the case of delay to your journey, 4,150 Special Drawing Rights (approximately EUR 5,100). The Montreal Convention applies to all operations by European Union carriers and to all operations of other, non-European Union carriers that have elected to apply its provisions. Sri Lankan Airlines has elected to apply its provisions as regards liability for death and bodily injury. Where the Warsaw Convention applies, the limits of liability are as follows: 1. 16,600 Special Drawing Rights (approximately EUR 20,000) for death or bodily injury if the Hague Protocol to the Convention applies, or 8,300 Special Drawing Rights (approximately EUR 10,000) if only the Warsaw Convention applies. Many carriers have voluntarily waived these limits. 2. 17 Special Drawing Rights (approximately EUR 20) per kg for loss of or damage or delay to checked baggage, and 332 Special Drawing Rights (approximately EUR 400) for unchecked baggage. 3. The carrier may also be liable for damage occasioned by delay. Further information may be obtained from the carrier as to which Convention applies to your journey, and if your journey involves carriage by different carriers, you should contact each of them for information on the limits of liability applicable to them. Regardless of which Convention applies to your journey, you may benefit from a higher limit of liability for loss of, damage or delay to baggage by making at check-in a special declaration of the value of your baggage and paying a supplementary fee, or by purchasing additional insurance. Time limit for action: Any action in court to claim damages must be brought within two years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived. This notice conforms to the requirements of European Community Regulation (EC) No. 889/2002. Carriage and other services provided by SriLankan Airlines are subject to Conditions of Carriage of Passengers and Baggage which are hereby incorporated by reference. We draw your attention to the notices and conditions of contract set out in the following pages which can also be found in our website given below.

NOTICE : If your journey involves an ultimate destination or a stop in a country other than the country of departure the Warsaw Convention may be applicable and the Convention governs and in most cases limits the liability of carriers for death or personal injury and in respect of loss of or damage to baggage.
